

# Rockwell Kent Greenland Airmail Stamp Cover

A special article from the Rockwell Kent Forum

In January, 1996, the [Paradise Valley Stamp Company](http://www.paradisevalleystamp.com) conducted an auction in Mesa, AZ. Included in the auction was a 1932 cover including the 10 Ore Kent Greenland Airmail Stamp. The following images are from the auction catalogue. This brings the number of Kent Greenland Airmail Stamp covers, that we know about, to 4 (the other covers are talked about in other articles in the Rockwell Kent Forum ([www.rockwellkent.us](http://www.rockwellkent.us)))

The first image is a black and white image from the auction catalogue page:
